

Project Submission Link [\[Click\]](#)

IMPORTANT NOTE:

- **Read all the submission instruction carefully. File naming convention doesn't matter.**
- Projects should be submitted by a single person of each group in the above google form.
- You are only allowed to submit a single .py file. If your project has multiple files, copy paste the code in a single .py file and submit that file.
- You are only allowed to submit ONCE per group. Make **DOUBLE SURE** that you are submitting to correct file. You CAN'T EDIT YOUR RESPONSE after submitting the file.

Deadline for any labs:

- **For Any Labs: Scheduled Lab Day [5:59 AM]**
- This deadline is fixed in normal circumstances even if university remains closed. For any queries/doubts, please refer to your respective lab faculties.
